

Manager – Audit

Are you an ambitious, forward thinking, high-achiever seeking continued growth and progression? Are you looking for a challenge in a new environment and the opportunity to work on interesting projects? If so KPMG can help to match your ambition.

We are currently seeking to hire an **Audit Manager** who will join our Tirana Audit practice.

The successful candidate will:

- Oversee and manage audit engagements
- Apply KPMG's audit methodology and comply with risk management procedures
- Research and analyze industry and client performance, identify critical areas of engagements
- Review audit work papers and ensure their quality
- Research and resolve technical queries from clients
- Monitor the development of more junior team members and play an active role in the performance appraisal process
- Participate in the delivery of training courses

Requirements include:

- Completed qualification or final stages of ACCA/CPA or equivalent
- At least five years in audit obtained in an international environment
- Excellent knowledge of IFRS and International Standards on Auditing
- Ability to establish and maintain strong client relationship
- Strong mentoring and performance management skills
- Excellent drive and commitment to accomplishing results
